1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of the company seeking the rate increase. I am passionately against this.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am a customer of the company seeking the rate increase. I am vehemently against allowing them to increase the rates for my water/wastewater service. The most recent rate increase was in 2009 supposedly for capital expenditures to fix and update our system. There has been no work in our area of Tega Cay. We should not have to pay the price for a company that is mismanaged and misused our funds. Unfortunately, they have a monopoly on the service they provide. Therefore, the only thing I can do is exercise my 1st amendment right to petition the government for a redress of grievances. Please do not allow this rate increase to pass/be approved.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

If I must I will.
